VILLAGE BOARD HIGHLIGHTS

If you have concerns you would like the Village Board to address, attend a Board meeting. Meetings are held on the first and third Wednesday of each month at 7:30PM.

At the February 1 meeting, the Board:

- voted to close the ARC cases for 7255 Kindler Road, 9751 Early Spring Way, and 9787 Early Spring Way.
- voted to approve a donation to the Hammond High School Boosters.
- voted to accept the proposed RAC Guideline changes.

PROPOSED GUIDELINE CHANGES

The Kings Contrivance Village Board, sitting as the Architectural Committee, is proposing updates to the Architectural Guidelines. The goal of the Guidelines is to keep our community an attractive and desirable place to live. The Guidelines do not have the legal force of the covenants. They are an interpretation of the covenants and guide the Resident Architectural Committee in its recommendations to the Architectural Committee. The last time the Guidelines were updated was 2014.

The proposed changes include edits to existing Guidelines and a new Guideline. To review the complete proposed document, visit our website KingsContrivanceCommunityAssociation.org and click on "Covenants." On the document, the proposed changes are marked in red. If you would like to review a hard copy, one is available at the front desk of Amherst House. The Village Board wants to know what residents think of the proposed changes. Written comments can be emailed to KCCovenants@columbiavillages.org or submitted to the village office. Comments must be received by Friday, March 31, 2017 and the proposed changes will be discussed by the Board at the meeting on Wednesday, April 5th at 7:30pm.

Mission statement: The association represents the community of Kings Contrivance by advocating for residents, enforcing covenants, and building a sense of community.
