HELP SAVE THE BAY!

The Environmental Committee continues to support the community initiative to label Kings Contrivance storm drains with "Don't Dump! Chesapeake Bay Drainage". This reminds people that trash dumped in streets and gutters eventually finds its way to the Chesapeake Bay. This easy project takes less than two hours to complete. The village can provide the stencils and many of the other items needed (i.e. safety vests, gloves, safety cones, etc.). If you are interested in participating in this project, please contact Anne Brinker at Amherst House.

SOLAR EDUCATION SEMINAR

Local Solar Expert, Brandon Carter, will give a presentation on residential solar electricity and hot water at the Amherst House on Thursday, Sept. 23rd at 6:30 p.m. Dinner provided. RSVP to Dawn at seminars@grosolar.com or visit www.grosolar.com/columbia
