Material/Handouts

- Agenda for November 10, 2016 (hard and soft copy)
- Summary of the KC Walk with Ned event (soft copy email distribute)
- Draft Annual Environment Committee Report for the KCVB (hard and soft copy)

Meeting Summary:

1. Introduction and Welcome
2. Quick review September 10 Event
 - a. All in attendance agreed that the event went well and all bases were covered
 - b. Have had a lot of applications for rain gardens—people heard about rain gardens at the event
 - c. Consider using the survey/feedback from attendees in the future events
3. Discussion and review of first annual Environment Committee report for the KCVB
(**edits added to KC Presentation PPT**)
 - a. Discussed and noted committee activities and progress for the period September 2016 through current
 - b. Brainstorm 2017 ideas
 - i. Membership—have a presence at other events at KC to try to increase membership (ex. Have a representative at the gardening seminars, flea market, election day)
 - ii. Follow-through next year on items already suggested, i.e. storm drain stenciling (pg. 7 of ppt)
 - iii. Increase educational opportunities and efforts in regards to pet waste in public areas and litter
 - iv. In-between meeting task completion so that we are active all year and not just the months we meet
4. Committee Member “Share”
 - a. Gail is participating in a HoCo Parks and Rec program next Tuesday to plant trees off Trotter Road (in the main parking area). Contact Jeff Claffy for more information—jclaffy@howardcountymd.gov.
