

Kings Contrivance Village Open Space Clean-up

- Kings Contrivance has had annual open space clean-ups since 2002.
- We have had over 100 volunteers come out to clean-up in years past—help us top our record!
- Volunteers do not have to participate in the entire scheduled 3 hours.
- Registration by phone is available for those who want to participate but cannot make it on the scheduled date. Clean up anywhere in Kings Contrivance open space any day the week of the scheduled clean-up and get credit for participation. Call Amherst House at 410-381-9600 to register by phone or get more details about this option.
- Community Service certificates are available for those who need them.

The Day of the Clean-Up

- Sign-in at Amherst House starts at 10:00 a.m. at which time we organize into groups. Although you can sign-in anytime between 10:00 a. m. and 1:00 p. m., the first groups will leave to start picking up around 10:15 a. m.
- Supplies will be provided—plastic gloves, trash bags, safety vests, and pick-up tools (“carrot sticks”).
- Please consider the environment—we ask that you bring water for yourself and your group in reusable containers.
- Light refreshments will be available during sign-in.
- Participants can pick up along designated routes or choose their own route in Kings Contrivance open space.
- For more information, contact Hillary Bierce at hillarybierce@gmail.com or Amherst House (410-381-9600).

***Your participation makes a difference—help us make this
the most successful clean-up yet!***
